International graduate applicants should refer to the Graduate catalog for application and deadline information.

International Admission Requirements

To be fully admitted, all international applicants must submit the following items before established deadline dates:

- a. A completed application for International Admission, including the \$75 application fee by the stated deadline. The application fee must be paid by credit card or a bank money order in U.S. dollars from U.S. banks. It is not refundable.
Students applying for spring 2026 should submit their application through ApplyTexas.org.
Students applying for summer or fall 2026 should use the TAMUK application at https://admissions.tamuk.edu/portal/app_start.
- b. A university approved Foreign Credential Evaluation with the report listed on the admission website submitted directly from the credential evaluation agency to Texas A&M University-Kingsville for any institutions outside of the United States.
- c. Official SAT or ACT scores are not part of the admission requirement; however, either test may be used for placement purposes in English and math courses as well as a TOEFL alternative. Scores must be received directly from the testing facilities. Test scores are required for all Engineering majors (see below).
 - i. To be admitted as an entering freshman to the Frank H. Dotterweich College of Engineering at Texas A&M University-Kingsville, students are required to have certain minimum test scores to be placed in the desired engineering major. Applicants whose test scores fall below the minimum scores for full admission to the College of Engineering will be admitted to the General Engineering program in order to complete preparatory coursework.
- d. Texas Success Initiative (TSI) exams are not part of the admission requirement; however, all undergraduates are required to take one of the tests prior to registration.
- e. A Test of English as a Foreign Language (TOEFL) score of 61 (Internet-based) or 500 (Paper-based) is the university minimum requirement. A higher score of 79/550 is required for all applicants to programs in the College of Arts and Sciences and the Frank H. Dotterweich College of Engineering. This score must be sent directly from the Educational Testing Services (ETS) and dated within two (2) years of enrollment. Residual (Institutional) TOEFL exams taken at another institution will not be accepted. TOEFL (Code#6822) See below for a list of TOEFL alternatives.
- f. A Letter of Sponsorship is required from the party who will financially support the applicant during pursuit of degree. The letter should certify the sponsor's commitment to pay the educational, living, health, and personal expenses of the applicant until completion of the degree(s). A sponsor may be the student, student's parents or a third party organization. The sponsor's letter must be dated within six months of the first enrollment according to dates listed below on bank statement requirement
- g. A Bank Statement certifying the sponsor to have the required funds (stated in U.S. currency) dated within twelve months (one year) of the first enrollment. Amounts required can be found on the Office of International Student & Scholar Services website.
- h. International students transferring from another institution in the United States must submit the following additional documents:
 - i. International Student Status Transfer Form completed by student and DSO of current institution
 - ii. Updated proof of financial support dated within three months or less of the first enrollment at TAMUK
 - iii. Copy of current I-20; copy of student's F1 visa; Copy of I-95 (front & back)
 - iv. For students with dependents: Written notification requesting dependents to be included on I-20

Texas A&M University-Kingsville will evaluate a student's academic documents and determine institutional accreditation/recognition, whether the GPA requirements are met and whether any degree/diploma earned is equivalent to a U.S. bachelor's degree.

NOTE: Upon completion of the application process, admitted applicants are eligible to be issued an I-20 by the Office of International Student & Scholar Services if all appropriate documentation has been submitted and approved by their office. Students with an F-1 Student Visa are required to enroll full-time while at Texas A&M University-Kingsville.

Immigration status as an approved student will be granted upon submission and review of the stated documents. An I-20 form will be issued from the Office of International Student & Scholar Services. International students applying for admission are reminded that possession of an I-20 form from this university does not relieve them of the responsibility to comply with United States immigration procedures.

International Freshman Admission

Undergraduate applicants who have no previous work at the postsecondary level must have at least a 2.7 grade point average (on a 4.0 scale) from a secondary school and must also meet the criteria for admission to a postsecondary school in the applicant's home country.

International students who are graduating from a recognized U.S. high school, either in the U.S. or abroad, are required to meet the Assured Admission Requirements listed on a previous page of this catalog.

International Transfer Admission

The university will allow credit for work done at other institutions that are fully approved by the institutional accrediting body. Students from other universities or colleges seeking admission must present evidence of honorable dismissal and official transcripts of their entire college history.

Undergraduate applicants who have attended a postsecondary level institution and have completed *less than 12 transferable semester credits after high school graduation/secondary school completion* at an accredited/recognized institution must satisfy the following criteria:

- a. Meet or exceed the freshman admission requirements listed above **and**
- b. Post a minimum cumulative grade point average of 2.0 on a 4.0 scale for all post-secondary work attempted.

Undergraduate applicants who have attended a postsecondary level institution and have completed *12 or more transferable semester credits after high school graduation/secondary school completion* at an accredited/recognized institution must satisfy the following criteria:

- a. Post a minimum cumulative grade point average of 2.0 on a 4.0 scale for all post-secondary work attempted **and**
- b. Be in good standing with the college or university last attended.

Note: Applicants to the College of Engineering with less than 60 transferrable credits will be admitted to a General Engineering program if the overall GPA falls between 2.0 to 2.49. For more information about admission to an engineering program at Texas A&M-Kingsville, please see the College of Engineering section of this catalog.

Transfer students who do not meet published admission criteria do not qualify for automatic admission to Texas A&M-Kingsville. Transfer students in this category who wish to receive further review must contact the dean of their academic college for consideration. If their academic dean recommends admission, students will be admitted with an academic status of Scholastic Probation and must maintain a 2.0 grade point average during their first semester of enrollment at Texas A&M-Kingsville. Failure to maintain a 2.0 grade point average during the first term of enrollment will result in dismissal from the institution.
