Upper Division Military Science Curriculum

The Advanced Military Science Program at Texas A&M University-Kingsville allows qualified students to earn a commission as a Second Lieutenant in the active Army, the Army Reserve or the National Guard. These courses also allow the first opportunity for most college students to make a formal and personal commitment to the preservation of the values embodied in the Constitution of the United States. For enrollment in upper level military science courses the student must meet these prerequisites:

- be enrolled as a full-time student (12 semester hours minimum for an undergraduate).
- be of good moral character as evidenced in the community and the university.
- have approximately two academic years remaining toward a baccalaureate degree or advanced degree (the requirement may be waived) and a minimum GPA of 2.0.
- meet medical fitness requirements as prescribed by U.S. Army regulations.
- either:
 - satisfactorily complete the following:
